Ever since its inception, Santa & Cole has developed this simple, highly customisable system for assembling individual pendant lamps. Sísís features several types of rosettes for the ceiling in a range of finishes for the best fit, combined with shades in a variety of sizes, shapes and materials.

The conical shape group has multiple finishes and sizes. It consists of four sizes: PT1, MT1, GT1 and GT3, and has three different material options: cardboard, tape or linen.

Sísís is a versatile system adaptable to the needs of any space, with well-sized lampshades available in different styles: ribbon, linen or stitched cardboard.
