ABOUT 101 COPENHAGEN

101 Copenhagen is a Danish design brand founded in 2017. With a vision to honor exquisite quality and craftsmanship, the collection encompasses furniture, lighting and accessories in a timeless, yet modern design. With a true passion for materials and refined textures, organic shapes and colours, 101 Copenhagen presents the epitome of classics and must-have novelties for Scandinavian and international interior connoisseurs alike.

OUR CREATIVE DRIVE

The design of 101 Copenhagen is firmly rooted in the Scandinavian soil and nourished by Japanese minimalist aesthetics. Sharing an emphasis on quality materials, techniques and traditions, the meeting between the North and the East is notable in the holistic collections of 101 Copenhagen. The design approach is dynamic and characterised by freedom of expression - creating unique and timeless pieces without compromising on playfulness and individuality.

OUR DESIGN TEAM

An attention to detail and a shared sense of aesthetics is what drives the two main designers of 101 Copenhagen, Tommy Hyldahl and Kristian Sofus Hansen. Merging their backgrounds and experiences from the fashion industry, the Royal Danish Academy of Fine Arts and travels in Japan respectively, a narrative of minimalist, sculptural and conceptual design is evident throughout the collections. Translating and transforming the simplistic inspiration from Japan in a Scandinavian context is all about honouring quality, heritage and materiality while never seizing to compromise on form and function. Trained as an architect, the third designer, Nicolaj Noddesbo, adds knowledge on innovative light solutions and timeless novelties to the 101 Copenhagen collections. 101 Copenhagen is a curated selection of tactile, bold objects standing out in a crowd and gathers as a whole.

**CONGRATULATIONS
ON YOUR NEW PRODUCT FROM
101 COPENHAGEN**

TO ASSEMBLE THE ARMS:

1. Remove the screw and carefully connect the tube.

2. Tighten the screw with a wrench.

3. Insert light bulb.

4. Unmount the screw from the small metal ring underneath the ceiling cup, then gently pull down the cable (Never pull the cable, while the screw is fastened in the cable). When the height is adjusted, please fasten the screw to the small metal ring underneath the ceiling cup. When adjusting the cable length always make sure that the cable is held straight and is not twisted as it can damage the fabric cable.

ADJUSTING THE LENGTH OF CABLE

Ceiling Height: 220-250 cm. This ceiling cup is designed to fit large Scandinavian ceiling roses.

1. Adjust the length of cable: Unlock the plastic clasp underneath the ceiling cup by loosening the screw reversely. Carefully pull the cable to the desired length (never pull the cable, while the screw is fastened in the cable). Close the clasp and tighten with screw turning it clockwise. Make sure it is tightened properly. Adjust the wires accordingly by unmounting the nuts. Please note the location of the rubber band at fabric covered cable must be placed correctly otherwise the cable will not be fixated properly. Lead the fabric cable from both sides into the cable connector. Please make sure the cable relief is tightened. Screw the ceiling cup to the mounting plate.
2. Lead the fabric cable from both sides into the cable connector. Please make sure the cable relief is tightened.

CHANDELIER ATTACHED DIRECTLY TO THE CEILING

Ceiling Height: 220-250 cm. This ceiling cup is designed to fit large Scandinavian ceiling roses.

1. Pull the cable from the ceiling through the mounting plate and mount the ceiling cup to the ceiling, with screws and inner mounting plate following in the package. Please make sure it is fixated properly.
2. Place the ceiling cup at the mounting plate and turn right until the ceiling cup cover the mounting plate.

1.

2.

CHANDELIER ATTACHED DIRECTLY TO THE CEILING WITH CABLE IN CEILING ROSE

Ceiling Height: 220-250 cm. This ceiling cup is designed to fit large Scandinavian ceiling roses.

1. Please mount the ceiling cup to the ceiling, with the screws and inner mounting plate following in the package. Please make sure it is fixated properly.

2. When the ceiling cup is attached to the ceiling, lead the fabric covered cable out of the hole in the ceiling cup and attached to the ceiling rose. Please make sure the cable relief is tightened.

3. Place the ceiling cup at the mounting plate and tighten with screws.
