FOSCARINI

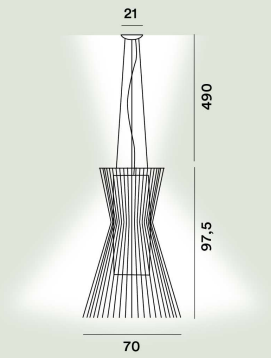

Allegro Suspension

Atelier Oi

2007

A collection that takes form thanks to the force of gravity, with metal lines that shape the light and emit sounds when touched. This "musical" character is behind the name of the three versions, large in size, with different finishes and forms. Diffused light, directed downward and reflected from the ceiling.

Allegro Vivace Suspension

Color
Copper

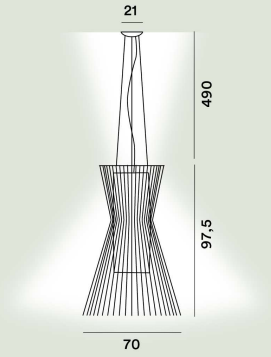

Material
Lacquered aluminium and chromed metal

Light Source
Bulb not included R7s + E27 PAR 300W+100W Max Dimmable

Weight
kg 19,3
