

MOAI

Design Studio Lievore Altherr

^{IT} La versatilità è la caratteristica distintiva di questa collezione di tavoli da esterno di design ispirata alle peculiari forme del pino romano. L'esilità della struttura è solo apparente: le gambe, come robuste radici, sostengono infatti eleganti piani in alluminio, alluminio puntinato e gres. I tavoli Moai sono adatti a ogni contesto, sia residenziale che contract.

^{EN} Versatility is the distinguishing feature of this collection of outdoor garden tables, which draws its inspiration from the peculiar shapes of the stone pine tree. The slimness of the frame is only apparent: the legs, like robust roots, in fact support elegant aluminium, speckled aluminium or porcelain-stoneware tops. Moai tables are suitable for any setting, both residential and contract.
