Sculpt Stool - Off White (CPH 900)

Product Description

Sculpt Stool is inspired by the Brutalist architecture movement that emerged in the 1950s.

The luxurious off white Bouclé fabric adds a cozy, inviting touch with its soft and tactile surface, perfectly complementing the robust design with a hint of modern elegance.

The Sculpt Stool is a versatile piece that works beautifully as extra seating in the living room, a soft landing spot in the bedroom, or a stylish accent in the hallway.

Designer Description

Tommy Hyldahl and Kristian Sofus Hansen intertwine their distinct sensibilities to create designs where storytelling, materiality, and timeless form meet in quiet harmony.

With a background in fashion, Tommy brings an intuitive eye for trends, colors, and textures. His process is one of layering histories, blending details and references from past design periods and reimagining them into something fresh and contemporary. Each collection unfolds as a narrative, evolving from concept to creation, with every element contributing to a greater story.

Kristian, who has lived and studied in Japan, seeks to unite Japanese aesthetics with Danish design, creating a characteristic twist on simplicity itself. His work is defined by the search for subtle, original details that elevate each piece with a unique signature. Drawing inspiration from art and sculpture, his creative process unfolds in new and exciting ways, always striving to craft designs that are both functional and timeless.

Family Description Text

The Sculpt Collection is born from the Brutalist architecture of the 1950s, where concrete forms and monolithic geometry defined a new aesthetic language. Reimagined through a contemporary lens, the collection becomes a study in contrast and harmony.

One piece is draped in upholstery, its sharp geometry softened into comfort, an inviting balance of resilience and rest. Another, cast in fiber concrete and hand-painted, speaks with the raw authority of stone yet moves with surprising ease. It may stand alone as a sculptural statement or be paired with a separately available semi-aniline leather cushion, its supple surface adding both comfort and an elegant counterpoint to the rawness beneath.

Together, the Sculpt Collection embodies a dialogue between softness and solidity, warmth and rawness, the intimate and the monumental, two worlds converging in one sculptural expression.

Color Description

A soft, light, and warm grey base enriched with off-white highlights in the boucle weave. The gentle variation adds warmth, softness, and inviting dimension.

Maintenance Guide Description

Bouclé's looped yarns give it its charm but also require mindful care. Vacuum the upholstery regularly with a soft brush attachment to remove dust and prevent dirt from settling between the loops. To protect the fabric, avoid contact with sharp objects or rough clothing that may snag the fibers.

In the event of spills, gently blot with a clean, dry cloth never rub, as this may distort the loops or spread the stain. For light soiling, use a mild upholstery cleaner suitable for synthetic fabrics and always test on a hidden area first. Professional upholstery cleaning is recommended for deeper maintenance.

Keep bouclé furniture away from direct sunlight to prevent fading, and avoid prolonged exposure to moisture. With simple care, bouclé will maintain its softness, texture, and inviting comfort for years to come.

Materials Description

Bouclé is a distinctive fabric woven from looped yarns that create its signature soft, tactile texture. Crafted from 100% PES (polyester), it combines luxurious comfort with excellent durability, making it perfectly suited for upholstered furniture. The nubby surface adds visual depth and a cozy, inviting feel, ideal for living rooms, bedrooms, or any space where warmth and style meet. With its unique blend of softness and resilience, bouclé remains a timeless choice designed to endure everyday use.
