SKU: FLT04BR

Flash Rectangle Table

Brass Plated Polished Steel & Mirrored Glass

The Flash collection is a series of sophisticated statement pieces designed to bring a moody, architectural edge to any interior. The Flash tables are engineered to function as singular, high-impact icons or nested together to create a dynamic, three-tiered multi-level coffee table. Whether standing alone or clustered in a tiered arrangement, the collection balances refined materiality with a bold, contemporary silhouette.
