

## PARTS

## PRODUCT INFORMATION

This product consists of two components:

- Ⓐ parasol shade
- Ⓑ extension pole

The **parasol base is not included** and must be purchased separately.  
For parasols size 240 x 240 cm and Ø 300 cm use a parasol base min. 35kg.  
For parasols size Ø 200 cm use base min. 25kg.

## CARE AND MAINTENANCE

The product can be cleaned with a soft damp cloth and mild detergent. Do not use alcohol or any other solvents.

Advised to store with Terrazza Parasol Cover or indoors. Make sure the parasol is completely dry before closing it.

Keep out of sunlight when not in use.

**Do not use the parasol when wind speeds exceed 6m/sec or in heavy rain.**

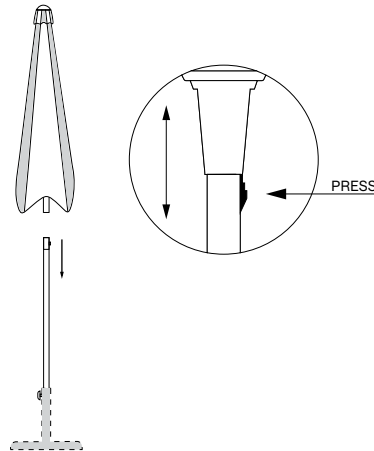

## ATTENTION

The product must not be modified in any way. HAY accepts no responsibility for any products that have been modified or tampered with.

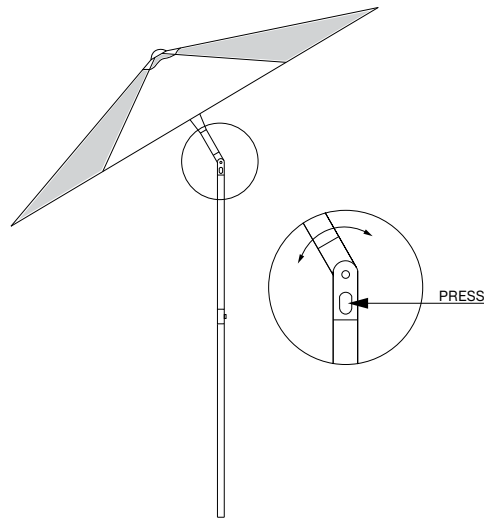

**Please read all safety notes and instructions.** Failure to comply with these may result in severe injuries.

## HOW TO USE

1. Insert the pole attached to the parasol shade into the bottom extension pole. Adjust the height according to preference using the adjuster.
2. Place the bottom pole into a parasol base. Make sure the base is securely holding the parasol.
3. Open the parasol by pressing the button and pushing the stopper upwards.

4. By pressing the tilt button the parasol angle can be adjusted.

5. When not in use, close the parasol by pressing the stopper and sliding it downwards. Tie the fabric straps around the closed parasol.

UV protection factors:
