

Seto Stool

Designed By Keiji Takeuchi, 2023

The Seto Stool is an elegant design combining proud Scandinavian and Japanese craft traditions.

Inspired by Børge Mogensen's design philosophy, the solid oak and canvas stool exudes simplicity while revealing a profound understanding of the craft. Harmoniously combining heritage and modernity. Named after Seto Ōhashi Japan's longest bridge, Takeuchi's stool features a distinctive H-structure echoing the bridge's graceful profile, creating a refined and contemporary design.

MODEL

6402 - Seto Stool
