An aerial photograph of a vast lavender field. The rows of purple flowers are interspersed with green foliage. Three large patio umbrellas are scattered across the field: a light blue one in the top right, a lime green one in the middle right, and a dark blue one in the bottom left. THE ITALIAN
STYLE FOR
OUTDOOR
LIVING

ETHIMO

Azienda italiana creativa, brillante interprete del fascino e della tradizione mediterranea, Ethimo propone una collezione di arredi outdoor per vivere all'aperto con stile ed eleganza.

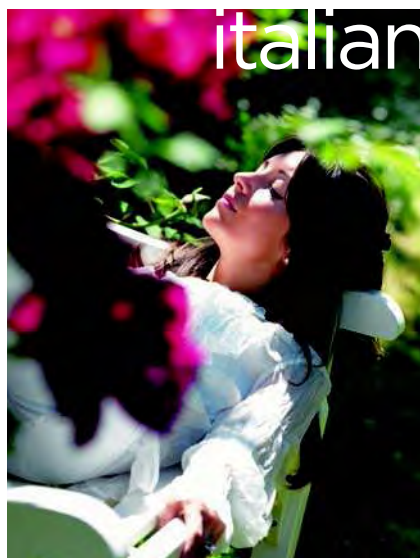

Ispirato dalle suggestioni e dai colori dei paesaggi italiani, il team creativo, cuore pulsante dell'azienda, coglie e promuove un modo contemporaneo di vivere l'esterno, un autentico "italian style for outdoor living" che coniuga l'estetica e il design delle collezioni con le esigenze di comfort e praticità della vita all'aria aperta.

Il profondo know-how di Ethimo nel settore dell'arredo da esterno è garanzia di qualità dei materiali selezionati e delle soluzioni all'avanguardia adottate nei processi costruttivi.

Il design caldo ed essenziale delle linee è sintesi tra ricerca di contemporaneità e reinterpretazione di forme classiche che rendono l'elemento d'arredo nuovo e familiare al tempo stesso. Prodotti attuali con una tradizione alle spalle.

La collezione presenta una palette di colori ispirata ai paesaggi italiani, con le sfumature di verde della Toscana e delle Langhe, gli azzurri intensi del Mediterraneo e il bianco puro delle isole del Sud, i colori vivaci dei giardini fioriti di Capri e della Sicilia, luoghi in cui la natura è protagonista e contamina con la forza della bellezza stili ed architetture.

Ethimo porta il design italiano nei luoghi più belli del mondo, per ricreare ovunque il fascino dell'Italian style.

ETHIMO

A creative Italian company which brilliantly interprets classic Mediterranean tradition and charm, Ethimo presents a collection of outdoor furniture for a stylish, elegant approach to open-air living.

Inspired by the atmospheres and colours of Italian landscapes, the creative team (and life force of this firm), embraces and promotes a contemporary, authentic "italian style for outdoor living", combining the styling and design of our collections with the comfort and practicality that's so essential for the alfresco lifestyle.

Ethimo's extensive know-how in the garden furniture sector ensures that the materials selected and the innovative solutions used in its manufacturing process are of the highest quality.

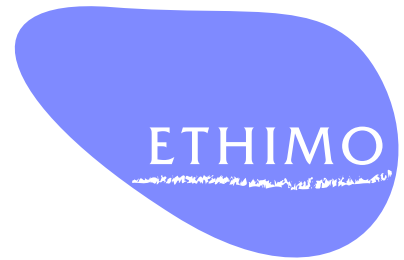

The warm yet simple design of its products is achieved by blending contemporary styling with the reinterpretation of classical forms, making this furniture both fresh and familiar at the same time. Products with a story behind and a future ahead.

This collection presents a colour palette inspired by Italian landscapes. It features the various greens of Tuscany and the Langhe hills, the intense blues of the Mediterranean, and the pure white of the islands in the South, not to mention the bright hues of the gardens of Capri and Sicily in full bloom: places where nature reigns supreme, overwhelming local styles and architecture with the full force of its beauty.

Ethimo takes Italian design to the most beautiful places in the world, recreating the charm of the Italian style far and wide.

TEAK DECAPATO

PER DONARE AL TEAK DELLA MIGLIORE QUALITÀ UN FASCINO VINTAGE ED UNO STILE SHABBY CHIC, QUESTO VIENE TRATTATO CON LA FINITURA DECAPATA. INNANZITUTTO VIENE SPAZZOLATO RENDENDO LA SUPERFICIE PIÙ RUVIDA E INVECCHIATA, PRIVANDOLA DELLA NATURALE PATINA OLEOSA. POI VIENE PROTETTO CON UN TRATTAMENTO CHE LO FA APPARIRE GRIGIO SIN DALL'INIZIO. COL TEMPO ACQUISIRÀ LA NATURALE PATINA GRIGIA ARGENTEA DEL TEAK NON TRATTATO, MANTENENDO AL TATTO LA FINITURA SPAZZOLATA. QUESTO TIPO DI TEAK NON DEVE ESSERE TRATTATO CON OLIO, MA SOLTANTO PULITO CON ACQUA E SAPONE.

PICKLED TEAK

TO GIVE THE BEST QUALITY TEAK A VINTAGE AND SHABBY CHIC CHARM, THIS IS TREATED WITH PICKLED FINISH. FIRST IT IS BRUSHED, MAKING THE SURFACE ROUGHER AND OLDER, DEPRIVING IT OF THE NATURAL OILY FILM. THEN IT IS PROTECTED WITH A TREATMENT THAT MAKES IT LOOK GRAY FROM THE START. OVER TIME, IT TAKES ON THE NATURAL SILVER GRAY PATINA, LIKE UNTREATED TEAK, KEEPING THE BRUSHED FINISH TO THE TOUCH. THIS TYPE OF TEAK SHOULD NOT BE TREATED WITH OIL, BUT ONLY CLEANED WITH SOAP AND WATER.
