

DESIGN BY SAM WELLER

HAY

FIFTY-FIFTY LAMP COLLECTION

HIGHLIGHTS

- Multifunctional lamp that balances elegance and functionality
- Well-proportioned counterweight design for stability and visual lightness
- Articulated arm for flexible, controlled illumination
- Available as both a desk lamp and a floor lamp
- Integrated LED light source with a lifespan of at least 25,000 hours
- Integrated touch step-dimmer switch
- Suitable for both private and office environments

FIFTY-FIFTY LAMP COLLECTION DESIGN BY SAM WELLER

Fifty-Fifty Lamp balances elegance and functionality in a precise, pared-back design. The collection has been updated with a more robust construction, strengthening its stability while preserving its lightness and flexibility. The integrated LED light source has also been upgraded to reduce energy consumption, delivering the same controlled illumination with improved efficiency. Available as floor and desk variants, Fifty-Fifty continues to offer a versatile lighting solution for both private and professional spaces.

Sam Weller is a British designer, born in Bath (UK) in 1985. With a background in Industrial Design and Engineering, Sam went on to study at the Royal College of Art in London, graduating in 2012 with a Master of Arts in Design Products. He later joined a small London-based workshop space to begin cultivating his own ideas and developments. To date, he has lived, studied and worked around the world in the UK, US and Asia, and now resides in Copenhagen, Denmark. Sam's design work aims to be timeless and honest, focusing on a pared-back aesthetic that reflects a product's material selection and function. For HAY, he has designed the Fifty-Fifty Lamp Collection and the Anagram Table Lamp.
