After decades of producing Miguel Milá's iconic design from the sixties, we have now incorporated its outdoor version.
Cesta Exterior is a robust lamp suitable for coexist with nature. The light source is protected from atmospheric agents by a sealing gasket between the diffuser and the structure that helps achieve a protection rating of IP65. Its aluminum structure, in black, british racing green or reddish orange, maintains its characteristic globe, on this occasion, made of polyethylene and incorporates an ON/OFF switch on the bottom.
